To Whom It May Concern:-

This is to certify that I am acquainted with William B. Shoemaker, that I have been his family physician for several years and that I know the reason Mrs. William B. Shoemaker did not live on the homestead with her husband was because of the sickness of her mother Mrs. J. K. Rhoderick and her death which occured on July 10, 1914, and that in Sept. 1914 Mrs. William B. Shoemaker and son John six years old contracted diptheria, and that Mrs. William B. Shoemaker had a secondary cardiac complication and that upon the advice of physician William B. Shoemaker returned to his family here in Sheridan in Oct. 1914. Mr. Shoemaker's wife condition has remained such that I advised him to remain here with her to the present time however I believe in the course of a month Mrs. Shoemakers condition will be such as to permit her husband to return to his homestead and to perform all duties and requirements of the department of the Interior concerning his homestead.

Respectfully Yours,

John L. Reek M.D.

Answer: My wife's mother's sickness and death has prevented my family from residing on homestead with me. Also last September (Sept 1914) my wife and son were stricken with Diptheria and my wife has been in a serious condition since Sept 6th 1914. The Diptheria left her with a bad cough. My wife's condition prevented our residing continually on homestead and I am not in residence on homestead now because of my wife's condition. I shall return to homestead by June 1-1915 and cultivate this year. Last year I was unable to break any land on account of my wife's illness.

Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Dann, requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Dann states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Assistant Secretary and Secretary of the Department to the settler, dated 26th December, 1922, and 27th August, 1924, respectively, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ of 13 and S.E.¼ of 14-5-7-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

Thos. Garnett

CHAIRMAN.

Reply to [illegible], Calgary, Ref. 71270 - 71.

Sir,

North ½ 36-32-8. Cent 4th.

Referring to the statutory declaration which you executed on the 3rd instant, in defence of the cancellation proceedings instituted against your homestead and pre-emption entries for the above described half section, I beg to say that while the Department is prepared in all worthy cases to extend liberal protection, it should be clearly understood that a settler cannot hold lands indefinitely, without undertaking the performance of the requisite duties. You have held this half section since the 2nd of June, 1913, and so far do not appear to have performed any residence duties, although twenty acres were broken last season.

Under the circumstances, it will be necessary for you to try and arrange to at least sleep on your homestead every night for a period of six months. This should not offer insurmountable difficulties, as the land is not an unreasonable distance from your rented farm, the North ½ of Section 31, Township 32, Range 3, West of fourth Meridian. The proceedings in question will be held in abeyance for a period of thirty days from this date, to afford you an opportunity of writing to the Agent of Dominion Lands at Calgary, stating your intentions in the foregoing connection.

Kindly note, however, that should you not be heard from within

David T. Greer, Esq.,
Innisfail,
Alberta.

from within that time, it may be necessary to summarily cancel the option and dispose of the half section without further notice.

Your obedient servant,

I beg to acknowledge the receipt of your letter and statement of the 7th instant, filed in defence of the cancellation proceedings instituted against your entries for the N.½ of Section 34, Township 32, Range 8, West 4th Meridian and in reply to say that the proceedings in question will be held over until the 15th July next, by which date it will be necessary for you to file with the Agent of Dominion Lands at Calgary a statement showing the exact periods of residence and what cultivation and other improvements have been done to date.

Failure to comply with the foregoing instructions by the date mentioned will render your entries liable to cancellation or the proceedings pending.

I [illegible] of [illegible] Province of [illegible]

Sir,

Land N.T.L. 34-32-8-W.4th M.

Referring to your application for an extension of time in connection with your Certificate of Recommendation, I beg to say that it has been decided to grant you an extension of time to the 1st November, 1923, in which to complete payment, on account of purchase price and accrued interest, for the land above described.

This is not to be considered an extension of time on your Certificate of Recommendation, and you will not be in a position to mortgage or assign your interest in the land, the Certificate of Recommendation having expired.

SENT

Interest is chargeable on all overdue accounts at 5% up to the 1st September, 1919, and 7% thereafter to the date of payment.

Dear Sirs.

Referring to the above file you will note that I have reference to the extension of time granted me. The N ½ 1-4 of Sec. [illegible] East of the 4th M.

I would say that the extent of it is of practical value to me and unless an extension carries with it the privilege of mortgage and assignment of my interest I might just as well abandon it at once and forget it.

Unless we can transfer title land to some one who has capital to enough to operate it as it should be, there is no use of holding it longer. As it is there are hundreds of settlers who are leaving elsewhere, and I find many are seeking homes in the [illegible] many of whom come originally from Britain. Even should we have not been [illegible] the government policy was sufficiently lenient we could eventually pull out. We are not asking for charity, all we ask is a chance. Unless you can give me an extension carrying with it the right to mortgage and assign, I am [illegible] have your decision at once.

Pre-emption - David W. Greer,
Entry granted - 2nd June, 1913.

Cancellation proceedings were instituted on behalf of the Department, on the 15th November, 1922.

Please refer to Mr. Fulford's memorandum of the 6th February last, (marked, under), and to your recommendation thereon approved by the Commissioner, that an extension of time be allowed until the 1st November, 1923, within which to complete payment.

Mr. Greer was advised accordingly and in reply he wrote as follows on the 23rd March, 1923:-

"I would say that this extension is of
"no practical value to me and unless an
"extension carries with it the privilege of
"mortgage and assignment of my interest, I
"might just as well abandon it at once and

Sir :-

I beg to enclose the report of Field Collector Tempany on the seed grain indebtedness of D.W. Greer.

In connection with several cases of a similar nature to this one , you have instructed this office to make a special note of the same in order that prompt action action may be taker to secure a share of the proceeds of the next crop. Are instructions of that kind to be taken to mean that this office should institute the proceedings to seize the crop ?

Mr. Cuttle is preparing lists for use of the Field Collectors, and a case such as that dealt with in the enclosed report would be reported on in the natural course of the work , if it is not intended to make seizure of the crop. Ref. 2087b4.

Dear Sir:

Re: N.E. 34-32-8-W4

This Department has an old account against the above noted land for advances of seed grain to D.W. Greer in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

This land is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Re: Account of D.W. Greer
N.E. 34-32-8 W. 4th Mer.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919 seed grain amounting to $55.00 was advanced to D.W. Greer on the security of the above mentioned land. No payment has ever been received and the present standing of this account is;

Principal	Interest	Total
$55.00	$126.08	$181.08

The N.E. 34-32-8 W. 4th Mer. was formerly the pre-emption of the debtor whose entry was cancelled on the 13th of July, 1926, and is still unalienated crown land held in the right of the Province.

In reply to our questionnaire of the 11th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This land is unalienated crown land occupied at present under a longe term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing".

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

The weather being rather stormy the I did venture to go back till it got warmer as I thought the would be rather dangerous travelling back as I live 45 miles from town and needed time to do with it and we got caught out in a blizzard and would surely lose our lives to death as there is no one live of 2 on 12 miles in the C. The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 29th May, 1923, the settler secured advances from the Board totalling $1640.00, as follows: land, $1350.00; stock and equipment, $290.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the S.W.¼ 34-58-24 W.4th, which the settler is purchasing from the Board under agreement for sale.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler, dated the 13th August, 1930.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he comtemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 28-58-24 W.4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

Memorandum:

Mr. James Moore obtained homestead entry on the 19th February, 1907, for the fractional N.W.¼ of Section 10, Township 87, Range 6, West of the Fifth Meridian, containing 134 acres. There was added thereto in November, 1908, the fractional N.E.¼ of the same section, lying ~~north~~ of the river, the fractional N.E.¼ of Section 9, lying east of the river, (File 1681545, herewith).

Mr. Moore now enquires if he may be permitted to locate Half breed scrip on the fractional E.½ of the N.E.¼ of Section 10, lying west of the river, together with fractional Legal Subdivision 1 of Section 15, lying south of the river and to purchase the N.½ of the said N.E.¼ of Section 10, lying east of the river, together with fractional Legal Subdivision 2 of Section 15, lying south of the river.

Please see the Township plan on File 1681545 on which is shown hatched in green the land, containing 75.90 acres, on which Mr. Moore wishes to locate scrip, and hatched in blue the land he desires to purchase, containing 86.70 acres. In my opinion it would be contrary to the practice & regulations to grant the request.

Referring to your memorandum of the 13th instant re the South West ¼ of Section 11, Township 57, Range 6, West of the 5th Meridian, I beg to state that according to our records this section is still School Lands and no portion thereof has been withdrawn.

It would also appear from our records that the North West ¼ of Section 11 was relinquished sometime ago as a homestead and that the South East ¼ of Section 11, Township 57, Range 6, West of the 5th Meridian was selected in lieu thereof and notice of the selection was forwarded to the Kings' printer on the 2nd of November, 1911, to be printed in the following issue of the "Canada Gazette" as required by the provisions of the Dominion Lands Act.

It would, therefore, appear that in so far as our records are concerned the 1.4 acres in the South East ¼ of Section 11 and the 1.9 acres in the South East ¼ of Section 10 which have been disposed of to Mr. Russell H. Wood, have been disposed of in error as they still belong to the School Lands Endowment Fund.

Ottawa 3rd February, 1920.

Sir,

Re S.W.¼ 12-57-6-W.6th M.
Soldier Grant, Harry F. Galbraith.
L.S.B.#7179.

On the 20th September, 1920, you forwarded to this office a notification of application for loan in which you advised that Mr. Galbraith had applied to the Board for a loan and had given the above described quarter-section as security and also his homestead on the East half quarter of section 20 in the same township.

The loan should also have been restricted against the fractional south half quarter of section 13 in the same township lying south of the Peebles River and comprising an area of forty-one acres.

Mr. Galbraith has now abandoned his soldier grant and in the application he states that the land is totally unsuitable for farming in its present state.

In forwarding the abandonment to the Department the Board advised that your Board had informed them that you had no objection to Mr. Galbraith cancelling this land as it is not good security for the loan made to Mr. Galbraith on his home stead.

Would you kindly confirm this information and advise if authority may be forwarded to Mr. Galbraith to take up a new soldier grant entry.

Your obedient servant,

for Deputy Minister.
Secretary.

[illegible]
Minister of the Interior,
O t t a w a.

[illegible]:

[illegible]

[illegible]

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $[illegible], the Board taking security upon his unpatented homestead above described. [illegible] such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Galbraith requesting that patent to his homestead should be issued in favour of the Board. Mr. Galbraith states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Assistant Secretary of the Department to the settler, dated the 15th of February last, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, certain regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1917 (P.C. [illegible]) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W. [illegible] of 10-37-6-[illegible] be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Homestead - Barry P. Sweeney.
Entry granted, 5th July, 1919.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921. (P.C. 1421.)

This entrant has secured advances on the security of the above land from the Soldier Settlement Board.

Amount:- $1930.00
Purpose:- for stock, equipment and permanent improvements.

He has applied for patent, claiming duties as shown on form No. 56A., hereunder marked. Apparently, his duties have been completed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan, he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 21st ultimo the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issue in favour of the Board and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

Re: R. F. Galbraith -
N. E. 10-57-6-W5th (Med.)

The writer visited this settler recently and the matter of the N.E.¼ of 10-57-6-W5th, being school land, was discussed.

I interviewed Mr. Denehy today and beg to submit the following request from this settler, and hope that the matter will be satisfactorily arranged if at all possible.

Owing to a squatter settling on a quarter section of 11-57-6-W5th, the S.E.¼ of 10 was taken for School lands.

Our Settler homesteaded the N.E.¼ of 10-57-6-W5th, and has an Attestation Certificate No. 6378 to allow him to file on Soldier Grant. As the N.W.¼ of 2 is open for entry, but owing to the fact that the river cuts this off it is not advantageous for Settler to file on, Settler requests that consideration be given to transferring right as to school land in this quarter (N.W. 2-57-6-W5th) and make the S.E.¼ of 10 available for Soldier Grant entry.
Owing to the nature of the road and being cut off by the river Settler has to drive through the S.E.¼ of 10 to market.

Attached please find plot with Settler's notations.

Yours faithfully,

(Sgd.) W. Gordon,

District Superintendent.

In regard to Mr. Powell's memorandum of the 13th instant hereunder relative to the desire of Mr. Barry F. The land, according to our records, is undisposed of, other than it is held under Grazing Permit by Mr. Galbraith, the applicant for the soldier grant entry, and I therefore submit for your consideration the advisability of relinquishing the land from the School Lands Endowment Fund, in order that Mr. Galbraith may obtain entry thereto and select other lands in lieu thereof to reimburse the Fund.

I am in receipt of a communication from the District Superintendent, Soldier Settlement Board in which he makes the request that Mr. W. F. Galbraith who holds the [illegible] 18-57-6.W.5th M. as a homestead, be permitted to file on the Fr. S.E. 18-57-6. W.5th. M. as a Soldier Grant.

Memorandum: Mr. Hume.

Re frac. S.E.¼ 15-57-6-W.5th M.
Area - 44 acres, south of Pembina River.
Time Sale - Barry F.Galbraith.
Subject to soldier loan.

The Agent of Dominion Lands at Edmonton reports that Mr. Barry F.Galbraith has made application through the Soldier Settlement Board to be permitted to surrender his option of purchasing the above fraction and exercise his right of soldier grant entry in connection therewith.

This sale was authorized on the 8th September, 1920, at $4.00 per acre, subject to his earning patent for his homestead, the fractional North East quarter of Section 10 in the same township - see sketch hereunder.

Mr.Galbraith secured the S.W.¼ 12-57-6-W.5th Mer., as a soldier grant on the 1st September, 1920, under Certificate of Attestation No. 6378A, but abandoned his entry on the 17th January, 1922, on the grounds that the land was unsuitable for agricultural purposes, and as he was not furnished with authority to make entry for another soldier grant it may be assumed that he is eligible, subject to the usual letter of authority from this Department.

Whereas the proposed arrangement will no doubt prove of benefit to Mr.Galbraith in relation to his dealings with the Soldier Settlement Board, his application is submitted for favourable consideration. Owing to the fact that there is no access to the land other than through Mr.Galbraith's homestead, coupled with the fact that the land is subject to a charge under the Soldier Settlement Act, the question of posting for entry need not be considered. I would also recommend that Mr.Galbraith be allowed credit for any duties performed on his homestead in excess of the requirements in that regard. In this connection it may be stated that Mr.Galbraith has ample military service to offset residence for his homestead, in view of which cultivation in one year entitled him to patent. In making application for patent, however, Mr.Galbraith claimed, in addition to military service, more than sufficient residence subsequent to his demobilization to entitle him to patent for his soldier grant, and as his cultivation (26 acres) was valued by a Homestead Inspector in 1923 at $520.00, he should be in a position to make application for patent at the same time he makes application for entry for the fraction. Patent for the homestead issued in favour

.....of.....

of the Soldier Settlement Board on the 27th February, 1924, under the provisions of the Order in Council of the 4th June, 1921, P.C.1821, in view of which a letter from the Board will be necessary to the effect that they still hold title for the benefit of the settler.

If the foregoing action is approved, Mr. Galbraith will be furnished with the necessary letter of authority for re-entry in lieu of his former soldier grant and furnished with full instructions how to proceed in order to qualify for patent.

Ottawa, 1st June, 1931.

Memorandum.

Mr. Rowatt.

Kindly see Mr. Powell's memorandum underneath, in which he recommends that Barry F. Galbraith be allowed to place his soldier grant right on 44 acres adjoining his homestead. This 44 acres now stands as a sale to Mr. Galbraith. (Apparently nothing paid on account). The land is covered by a soldier loan and is therefore administered here.

I see no objection to approving Mr. Powell's recommendation, which will enable Mr. Galbraith to make soldier grant entry and apply for soldier grant patent at the same time, since he apparently has done enough on his homestead adjoining to earn patent for both homestead and soldier grant.

Under the former practice a settler could not count residence in the vicinity prior to securing entry, but as the homestead and soldier grant would adjoin each other and really constitute one parcel, I think a point might be strained and Mr. Galbraith permitted to take credit for the residence he has already done on his homestead, when applying for patent for the soldier grant.

Approved
H.H.R.

Under ordinary circumstances the land would have to be posted, but I think this might be dispensed with.

Deputy Commissioner.

I have your letter of the 11th May last, relative to the desire of Mr. Barry F.Galbraith to forego his option of purchasing the fraction above mentioned with a view to his securing entry therefor as a soldier grant.

I may say, in reply, it has been decided to grant the request, and I am forwarding to Mr.Galbraith in your care a letter furnishing him with the requisite authority to make entry for this land as a soldier grant in lieu of his abandoned soldier grant entry for the S.W.¼ 12-57-6-W.5th Mer., provided he is otherwise eligible.

I may add that pursuant to the granting of entry as aforesaid, Mr.Galbraith may be permitted to take credit for any residence performed on his patented homestead, the part N.E.¼ 10, in excess of the requirements for the earning of patent for such homestead.

Fr. L.S. 5 of 11-57-6-W5th M.

The records of the Edmonton Land Agency indicate that in the month of September, 1919, Russell E. Wood of Story Plain, was granted permission to purchase the lands above described at the purchase price of $6.00 per acre.

I understand a total payment of $80.40 was made by the purchaser which would cover an area of 13.4 acres at the rate of $6.00 per acre; that on December 15th, 1919, Patent was issued for the fractional North East quarter of Section 10, Township 57, Range 6, West of the 5th Meridian, east of the river, an area of 10.1 acres. There is, however, no record of Patent having been issued for the fractional Legal Subdivision 8 of Section 10, north of the river, or of fractional Legal Subdivision 5 of Section 11, north of the river; nor is there any record of the disposition made of the amount tendered as payment on account of the purchase price over and above that required for the 10.1 acres, patented in the year 1919.

It will be appreciated if you will kindly check your records and if I may be advised with reference to Legal Subdivision 8 of Section 10, north of the river and Legal Subdivision 5 of Section 11, also north of the river.

The records of this Department indicate the land above described as under application to purchase by Russell E. Wood of Stony Plain, being an area of 13.4 acres at the rate of $6.00 per acre; that on December 15th, 1919 a patent was issued for the fractional North East quarter of Section 10, Township 57, Range 6, West of the 5th Meridian, east of the river, an area of 10.1 acres. I am unable to find record of a patent having been issued covering the fraction Legal Subdivision 8 of Section 10, north of the river, or the fractional Legal Subdivision 5 of Section 11, north of the river, although from information available a total payment of $80.40 was tendered.

It will be appreciated if you will advise me as to the disposition of the $80.40, and also if your records indicate the issue of a Patent in connection with the fractional Legal Subdivision 8 of Section 10, or the fractional Legal Subdivision 5 of Section 11, both lying north of the river.

I have your letter of the 3rd instant and in view of your request am furnishing you with the facts of the sale in connection with the application of Russell H. Wood.

Mr. Wood was allowed, on the 17th April, 1919, to purchase the above described lands totalling 13.4 acres. He remitted, in connection with the sale thereof, $80.40 which was at the rate of $6.00 per acre.

Mr. Wood was advised on the 3rd December, 1919, that the two small parcels of land containing respectively 1.4 acres and 1.9 acres had been sold to him in error as they belonged to the School Lands Endowment Fund and, therefore, could not be sold as Dominion Lands.

A refund cheque for the sum of $19.80, being the over-payment, was forwarded to him on the 8th January, 1920, to Stony Plain Post Office, Alberta.

Patent for the 10.1 acres issued in favour of Mr. Wood bearing date of the 15th December, 1919.

I am unable to advise you as to the standing of Fr. L.S. 8 of Section 10 and the Fr. L.S. 5 of Section 11, as mentioned at the bottom of your letter in view of the fact that the records in this connection appear to be in your possession.

Sir,

I beg to enclose herewith for your approval the application for patent, duly recommended, of Perry Franklin Galbraith *who holds entry for the* Fractional S.E. ¼ *of Section* 15 *Township* 57 *Range* 3 *W. of* 4th *M.*

The above mentioned applicant, a veteran of World War 1, became established under the Soldier Settlement Act in 1919 on the N.E. of 15-57-3-W 4th, his homestead entry and subsequently made application to purchase the fractional S.E. 15-57-3-W4th.

In 1931 Mr. Galbraith was allowed to convert the purchase to a Soldier Grant entry and it will be noted he performed his residential duties on the N.E. 15-57-3-W4th.

The Soldier Settlement File has been examined for verification of his statements in Form 186 "Application for Patent" with the result that I am satisfied Mr. Galbraith has carried out the necessary requirements to earn patent. Mr. Galbraith repaid his account in full with the Soldier Settlement on June 4th, 1940 and I understand you have already received a notification to release the charge against the fr. S.E. 15-57-3-W4th.

Please see the application for Soldier Grant Patent of A.F. Galbraith for this land. The application is satisfactory in every way except that Mr. Galbraith is an employee of the Dominion Government. His homestead, the NE¼ 15, was vested in the Soldier Settlement Board in 1924. Mr. Galbraith was allowed to purchase the Frac.SE¼ 15 and was permitted to convert the purchase into a Soldier Grant. J. Lorne Turner,

It would appear that it would be necessary to have an O.I.C. under Sec 82 as it might be well to vacate when this becomes a civil servant.

Sec 82 states that an employee of the Govt of Can. shall not purchase or acquire any Dom. lands. It does not appear to cover this case where the land was acquired before becoming an employee

Dear Sir:

Replying to your letter of April 20th, with reference to Mr. Harry Franklin Galbraith, I would advise you that Mr. Galbraith is a permanent employee of this Department and has been employed since March 21, 1941.

Yours very truly,

TO HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

May 21, 1946.

The undersigned has the honour to report:-

That Mr. Barry Franklin Galbraith applied on July 5th, 1912, to purchase a portion of the southeast quarter of Section Fifteen, Township Fifty-seven, Range Six, West of the Fifth Meridian, lying south of the Pembina River in the Province of Alberta, containing Forty-four acres more or less. He enlisted for active service and went overseas in 1915. On his return to civil life, he obtained a loan from the Soldier Settlement and the loan was made a charge against his lands. The purchased land was converted into a Soldier Grant;

That although Mr. Galbraith had completed the necessary duties in 1924 to entitle him to obtain patent, the patent was not issued due to the charge under the Soldier Settlement Act;

That by virtue of Section 13 of the Agreement set out in the Alberta Natural Resources Act (Chapter 3, 20-21, George V, 1930), the land has continued to be vested in and administrable by the Government of Canada for the purposes of Canada;

That the indebtedness of the Soldier Settlement has now been paid in full; the charge released, and Mr. Galbraith has applied for patent for the land;

That Mr. Galbraith became an employee of the Dominion Government in 1941, in the Department of Agriculture, but patent has not been issued in his name in view of the Provisions of Section 65 of the Dominion Lands Act, which reads as follows: "No officer or employee of or under the Government of Canada shall, directly or indirectly, in his own name or in that of any other person, purchase or acquire any Dominion lands or any interest therein, nor shall he be interested as shareholder or otherwise in any corporation or company purchasing or acquiring such lands or any interest therein, except by or under authority of an order of the Governor in Council, nor shall he locate any land warrant or scrip, unless issued to himself, or act as an agent of any person in that behalf, and any employee violating this section shall be liable to summary dismissal on the order of the Minister; but his dismissal shall not affect the right which any person may have to bring against him any civil or criminal action."

The undersigned is of the opinion that Crown grant should be issued and recommends, therefore, that he be authorized to issue patent to Barry Franklin Galbraith for the part of the southeast quarter of Section Fifteen, Township fifty-seven, Range Six, West of the Fifth Meridian, south of the Pembina River.

Respectfully submitted,

Minister of Mines and Resources.

Ottawa, 28 July, 1955.

Henry Henkel, Esq.,
Carvel, Alberta.

Dear Sir:

I have your letter of recent date relative to your enquiry as to your age.

Your letter refers to the N.E.34-50-4 W.5th Meridian. Did you obtain a Patent for this land from the Federal or the Provincial Governments? If so please inform us as to the date.

Our records disclose that an entry was made by one Henry Henkel for the N.E.27-50-4 W.5th Meridian. Probably this is the land to which you refer. Did you receive a Patent for this land? If such is the case and you obtained a grant from the Provincial Government they would have a record of your age. You are advised to write to Mr. V.A. Wood, Director of Lands, Department of Lands and Forests, Edmonton, Alberta, giving him the approximate date of the Patent.

We do, however, have a record of Henry Henkel who, in his sworn statement dated the 1st of February, 1928, in support of his application for Letters Patent for the S.E.24-50-5 W.5th Meridian, gave his age as 42 years. He was naturalized on the 23rd of May, 1927, and;

One Henry Henkel who, in his sworn statement dated the 6th of July, 1914, in support of his application for Letters Patent for the S.W.6-45-17 W.4th Meridian, gave his age as 43 years. He was naturalized on the 6th of April, 1909.

Yours very truly,

C.K. LeCapelain
Chief, Lands Division.
